ERRING POSSE TURNS VOLLEY AT POLICEMEN

(By the Associated Press)
Memphis, Aug. 10.—A telephone
message from Collierville shortly
after noon today stated that one po-
liceman was killed and three wounded
by the sheriff's posse which fired on
them by mistake, thinking they were
the bandits who earlier in the day
killed two officers and wounded a
third while attempting to rob an em-
ployee of the Ford plant.

(By the Associated Press)
Memphis, Aug. 10.—Two men,
one of them a citizen and the other
a policeman, were killed and another
policeman seriously wounded in an
exchange of shots early today with
four masked bandits who attempted
to hold up an employee of the Ford
Motor Company branch at Collier-
ville, a Memphis suburb.

The bandits completed the hold up
and escaped into the building with
the money. Officers and Special
Agent Gamble of the Ford company
opened fire on them and in the run-
ning fight which ensued, Patrolman
Carraway and Gamble were fatally
injured. The bandits escaped in an
automobile. A third officer was
wounded.

JURY TO EXAMINE MURDER SUSPECT

(By the Associated Press)
Los Angeles, Cal., Aug. 10.—Evi-
dence against Arthur Courtenay Beach
of Stanston, Ill., and Mrs. Madelynn
Oberchain, suspects in the murder of
John Belton Kennedy, wealthy real
estate broker, probably will go to the
grand jury. Kennedy's body was
found last week near his cottage at
Beverly Glenn not far from the mo-
tion picture colony. Mrs. Oberchain
was the fiancée of the murdered
broker.

Burch is the son of Rev. William A.
Burch of Evanston and a son-in-law
of Bishop W. A. Quayle of St. Louis.
In a confession alleged to have been
made to the prosecutor, Burch is said
to have admitted some facts in con-
nection with the crime. Police are
said to have discovered tire tracks
near the Kennedy cottage resembling
the tires on the hired automobile which
Burch and Mrs. Oberchain drove the
night of the murder. They are be-
ing held incommunicado.

gate conditions in the islands, have

returning to the United States. Gen-
eral Wood and Mr. Forbes with their
staffs are expected here in September.

cupying the seven army camps, of
which Camp Pike is one, to be aban-

SMALL MOVES FOR TRANSFER TO NEW COURT

(By the Associated Press)
Springfield, Ill., Aug. 10.—State's
Attorney Mortimer today proposed
that if the state and defense can agree
upon the county in which Governor
Small's trial will be taken under
change of venue, the motion for its
transfer will be acceded to by the
state. Governor Small returned to
Springfield and was arrested last
night. His counsel at once filed mo-
tion for change of venue from Spring-
field.

Governor Small is held under bond
of \$50,000 while arrangements for the
trial are being completed. He is
charged with embezzlement of funds
while state treasurer. To his bond
he added a protest in which he claimed
immunity from arrest so long as he re-
mains governor. Vast crowds were
at the executive mansion when sheriff
Mester and one deputy appeared un-
der a "gentleman's agreement" to
serve the warrant. He was taken to
the courthouse in Sheriff Mester's
automobile and there prepared his
bond.

MAY ABROGATE ENTIRE TAXES ON RAIL FARE

(By the Associated Press)
Washington, Aug. 10.—Repeal of ex-
cess profits tax and income surtaxes,
retroactive to January 1, and all
transportation taxes on January 1,
1922, was agreed upon today by Re-
publican members of the house ways
and means committee. Majority mem-
bers of the committee also agreed to
increase normal income taxes on cor-
porations to 15 per cent.

The action of the majority members
today followed a conference yesterday
with President Harding and Secretary
of the Treasury Mellon at which the
tax schedules were thoroughly studied.
The agreement made at the white
house was for one-half of the trans-
portation tax to be repealed, effective
January 1, 1922.

Suggested new taxes, outlined in
the house last week by Secretary Mel-
lon, were also abandoned at the white
house conference, it was said. Secre-
tary Mellon had proposed an increase
in postage from two to three cents,
a license tax on automobiles, bank
check stamp tax and others to increase
the revenue of the government.
